Report of A Talk on “*Laws of Anti-Sexual Harassment and CyberCrime*”

Date: 29-11-2022

Time: 3:30 PM to 4:30PM

Platform: Offline Mode,

Auditorium Number of participants:120

The Anti Sexual Harassment Committee (ASHC) organized a workshop on “*Laws of Anti-Sexual Harassment and Cyber Crime*” for RVITM Students. The event started with a formal invocation song by Mrs. Arpitha E N from Accounts Department was presided over by the chief guest as Mr. Nagaraju, Assistant Sub Inspector, Mr. Vinayaka H P, CEN Crime PS Staff, Mr. Chiranjeevi SM, Digital Forensic Analyst and with the presence of ASHC Chairman Dr. Latha C A and ASHC members.

The following topics were covered:

Cyber Bullying- A form of harassment or bullying inflicted through the use of electronic or communication devices such as computers, mobile phones, laptops etc. Cyber bullying means using the internet or mobile technology to intentionally harass or bully someone by sending rude, mean or hurtful messages, comments and images/videos. A cyber bully can use text messages, emails, social media platforms etc. to bully others.

Spamming-Spamming occurs when someone receives an unsolicited commercial message sent via email, SMS, MMS and any other electronic messaging media. They may try to persuade the recipient to buy a product or service or visit a website where he can make purchases, or they may attempt to trick him/her into divulging bank account or credit card details.

Impersonation and identity theft-Impersonation and identity theft is an act of fraudulently or dishonestly making use of the electronic signature, password or any other unique identification feature of any other person.

Child pornography OR Child sexually abusive material (CSAM)-CSAM refers to material containing sexual images in any form of a child who is abused or sexually exploited. Section 67(B) of IT Act states that “It is punishable for publishing or transmitting of material depicting children in the sexually explicit act etc in electronic form.”

SIM Swap Scam-SIM Swap Scam occurs when fraudsters manage to get a new SIM card issued against With the help of this new SIM card, they get OTP and alerts required for making financial transactions through the victim's bank account. Getting new SIM card against a registered mobile number fraudulently is known as SIM Swap.

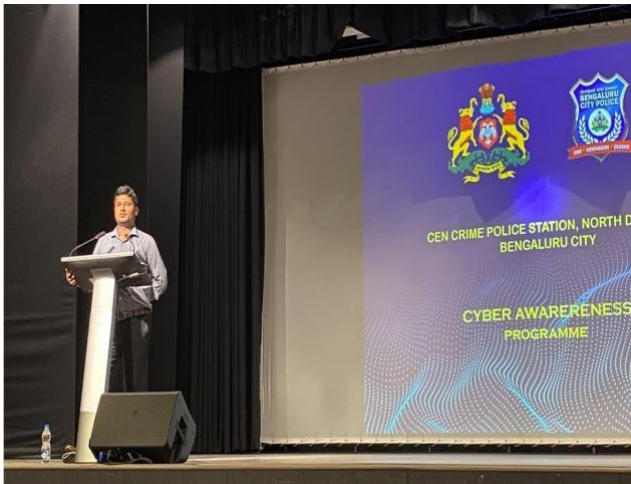

The workshop concluded after a Q & A session followed by Vote of thanks by Ms. Ananya Chandrakar, fifth semester ISE student. The workshop was well received by both faculty and students.
