IEEE DEBATE-REPORT

DATE: 1st September
TIME: 10AM-12:30
VENUE: 6th floor Seminar Hall

This debate involved two teams, each consisting of two members, presenting arguments for and against a specific topic. One team supports the topic ("for" side), while the other opposes it ("against" side). The debate includes opening arguments, counter arguments, and rebuttals from both teams. This format provides a balanced exploration of the topic, allowing participants to present their viewpoints and respond to opposing arguments. The goal is to engage in a structured discussion that highlights different perspectives and encourages critical thinking.

We had a total of 10 teams (4 external and 6 internal): the link below has the list of participants:
✚ DEBATE IEEE PARTICIPANTS

Judges:

- Sameera Vashistha
- Shirisha Arava

Format:

STRUCTURE:
