<b>Theme</b>	24-Hour National-Level Hackathon - Open Innovation
<b>Date</b>	Round 1 - 5th April 2025 Round 2 - 11th April to 12th April, 2025
<b>Venue</b>	Round 1 - Online Google Meet Round 2 - RV Institute of Technology and Management (RVITM)

### **Event Overview:**

FantomCode 2025, organized by the Department of Information Science and Engineering (ISE) at RVITM, was a highly successful 24-hour national-level hackathon centered on the theme of open innovation. The event attracted a diverse array of participants from across India, including teams from prestigious institutions such as IIITs and NITs. The hackathon featured two key rounds: an online ideation phase on April 5, 2025, followed by an intense 24-hour implementation round held on April 11-12, 2025.

### **Round 1: Online Ideation Round (5th April 2025)**

The first round of FantomCode 2025 was an online ideation phase, where over 75 teams presented their innovative concepts to a panel of judges via Google Meet. This highly competitive round showcased a broad range of creative solutions. After careful evaluation, 21 teams were selected to advance to the next stage.

### **Round 2: Implementation Round (11th- 12th April 2025)**

The second round took place over 24 hours at the RVITM campus. The event was inaugurated by distinguished Chief Guests Dr. Srinivas K S, Rajesh S, and Priya Sathya. Additionally, the event was honored by the presence of the Guests of Honor, Mr. Sujith K V and Mr. Sandeep. The atmosphere was energized as the shortlisted teams engaged in an intense coding session to bring their projects to life. The event culminated in creativity, innovation, and technical expertise, pushing participants to their limits.

**Event Coordination:**

**Faculty Coordinators:** Prof. Samatha Swamy

**Event Head:** S Sujeeth Shingade (6th Sem, ISE)

**Finance Head:** Sujay J Ram (6th Sem, ISE)

**Technical Head:** Mayank Chaturvedi (6th Sem, ISE)

**Judging and Results:**

Following the 24-hour coding marathon, the teams presented their projects to a distinguished panel of jury members on April 12, 2025. The jury included Purushotam Kumar Singh, Ananya Chandrakar, Shresta Bekinal, Sirisha Arava, Chihnitha, and Pannaga G N.

The jury evaluated the projects based on criteria such as innovation, feasibility, technical implementation, and overall presentation.

**Winning Teams:**

Winners: Dayanand Sagar College of Engineering(DCSE), Bengaluru. Prize:

₹30,000

First Runner-Up: Bangalore Institute of Technology(BIT), Bengaluru.

Prize: ₹20,000

Second Runner-Up: KLS Gogte Institute of Technology

Prize: ₹10,000

**Closing Ceremony:**

The event concluded with a grand closing ceremony where the winners were announced and prizes and certificates were distributed. The ceremony marked the end of an inspiring and competitive hackathon, celebrating the dedication, creativity, and technical prowess demonstrated by all participants.

**Conclusion:**

FantomCode 2025 was a resounding success, providing a platform for engineering students across the country to showcase their technical skills and innovative ideas. The event fostered collaboration, learning, and creativity, emphasizing the spirit of teamwork while encouraging participants to think beyond conventional boundaries. It was a memorable and impactful experience for all involved.
