Report on Invited Talk: "Qualcomm Placements in VLSI Domain"

The Department of Electronics and Communication Engineering at **RV Institute of Technology and Management**, Bengaluru, organized an invited technical talk on **25th April 2025** for the benefit of **4th and 6th semester ECE students**. The session was held from **11:00 AM to 12:15 PM** at the **6th Floor MCA Seminar Hall**.

The guest speaker, **Mr. Avinash Pandey**, Staff Engineer and Team Lead at **Qualcomm, Bengaluru**, delivered an insightful talk on the topic **"Qualcomm Placements in VLSI Domain."** He shared his professional experiences, outlined current industry trends, and provided valuable guidance on how students can prepare for careers in the VLSI sector, especially within organizations like Qualcomm.

The event was conducted under the guidance of:

- **Dr. Nagashettappa Biradar**, Principal
- **Dr. Manjunatha Prasad R**, Vice Principal and HoD, ECE
- **Dr. Vikash Kumar**, Coordinator and Course Faculty

The talk was highly engaging and informative, offering students a deeper understanding of placement opportunities and skill expectations in the VLSI industry.
