Department of Electronics and Communication Engineering

Objective of the Program:

The objective of this program is to provide students with practical guidance and actionable strategies to enhance their academic and professional profiles. By focusing on key areas such as technical skills, research exposure, internships, certifications, networking, and personal branding, the program aims to better equip students for successful careers in both corporate and academic domains.

Topics Covered:

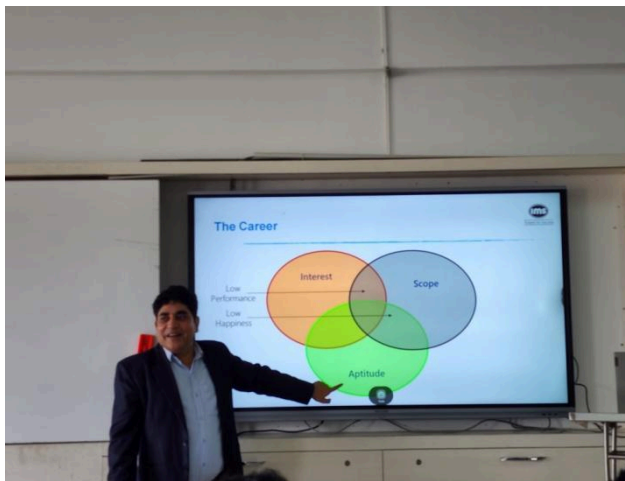

- Key hiring factors such as aptitude, reasoning, and english proficiency.
- Development of technical skills and domain-specific knowledge.
- Effective resume building and personal branding
- Emphasizing the significance of higher education.

Brief Report:

The Department of Electronics and Communication Engineering at RV Institute of Technology and Management, Bengaluru, organized an invited technical talk on 29th April 2025 for the benefit of 4th and 6th semester ECE students. The session was held from 12:20 PM to 01:20 PM at the Lecture Hall L3 11, 3rd Floor.

The guest speaker, Mr. Sarvendu Mishra, Lead Mentor at IMS, Bangalore, delivered an insightful and engaging talk on the topic "Profile Building." Mr. Mishra emphasized the critical

competencies that play a decisive role in hiring processes, notably aptitude, logical reasoning, and proficiency in English communication. In addition to these foundational skills, he underscored the importance of pursuing higher education as a means of deepening knowledge and expanding career horizons. He also shared valuable, practical strategies for students to proactively build strong, well-rounded profiles. These included developing technical and soft skills, engaging in internships and research projects, obtaining relevant certifications, and participating in extracurricular and leadership activities. His insights aimed to empower students to better align themselves with the expectations of both corporate recruiters and academic institutions, thereby enhancing their preparedness for diverse career opportunities.
