INTERNATIONAL CONFERENCE ON DIGITAL TECHNOLOGY AND ENGINEERING - ICDTE-2025

16 - 17 October 2025

About ICDTE-2025

The International Conference on Digital Technology and Engineering (ICDTE-2025) is a distinguished platform that brings together experts, researchers, industry leaders, and students from around the world to engage in a comprehensive exchange of ideas and knowledge. With a focus on advancing the field of digital technology and engineering, the conference provides an opportunity for showcasing cutting-edge research, innovative solutions, and impactful practices. ICDTE-2025 encourages collaboration across disciplines, aiming to inspire new perspectives and drive progress in areas critical to the future of technology.
